### MARKETS

Visualization from the annual revenues (2021) made within the FAN/Creator, NFT and Affiliate Marketing markets.

### NFT STAKING

Creators, Studios and Brands are stakeable NFT assets. NFT stakeholders receive 10% from their staked NFT online earnings.

Other NFT investors can always overtake active NFT stakes and are required to pay twice the value from a NFT.

NFT stakeholders, Creators, Studios or Brands automatically benefit from NFT overtake transactions.

### SEED INVESTMENT ROUND

ROI (Return Of Investment) within 2 years, equity for company shares plus \$C6X tokens (matching placed investment).

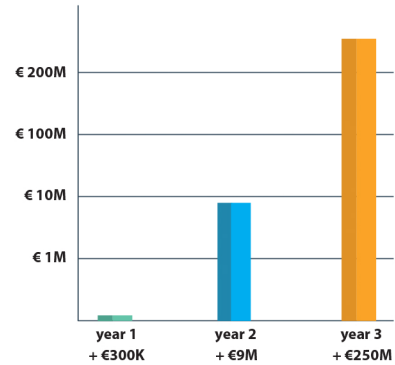

**€200,000**

20% company shares

Placed investments are booked as capital increase through a notarial deed. Raised funds will be to set up a core team, office/creator center, start development, marketing and prepare and promote the \$C6X Token Sale.

### REVENUE PROJECTION

Realistic revenue forecasting for the upcoming 3 years.

### MONETIZATION FEATURES

Creators, Studios and Brands will get access to a range of features to monetize their online activities, communications and content on the Crypto FAN/Creator Platform.

### INVESTMENTS USED FOR

Objective is Go To Market **within 8 months !!!**  
In Q4/2022 we want to launch the Crypto6x Ecosystem once the \$C6X Token is available on a DEX Exchange (Public Sale).

### DEVELOPMENT

Set up a development team to repurpose an existing Entertainment Platform into the Crypto6x Ecosystem (FAN/Creator Platform, NFT Marketplace, Metaverse, issue our own Crypto Token (\$C6X) and on-site tokens.

### MARKETING

Onboard Creators, Studios, Brands, Crypto NFT investors, Affiliates and FANS/Members.

### CREATOR CENTERS

Open Creator Centers worldwide to train, support, and engage Creators to use our platform.
